'weekly booklet' means the booklet the school hands out in class on each class day, containing that day's lesson content and homework;

'learning materials' means the weekly booklets and any other teaching materials provided by the school, whether printed or electronic;

'disputed amount' means an amount that the parent has disputed in good faith by making a written complaint to the school under Clause 56, but only until 14 days after the school tells the parent in writing of the outcome of the complaint and, if the parent notifies the school before the end of those 14 days that the dispute has been referred to an external body for resolution, for as long as that body is dealing with it;

2. Payments, requests and notices. The signing parent is responsible for paying all fees, charges and costs payable by a parent under these Terms. Unless these Terms say otherwise, any amount other than tuition and registration fees must be paid within 14 days after the school gives written notice of the amount. Tuition and registration fees must be paid in the way and by the time set out in the *Fees Schedule 2027*. A parent is not entitled

to any discount or reduction other than those set out in these Terms, the *Fees Schedule 2027* and the *Tuition Fee Discount Policy 2027*.

A request for a refund or a course change (including a change of year level), or a notice of withdrawal under Clause 10, may be made or given only by the signing parent, a person they have authorised in writing, or a person with legal authority to act for them.

Anything that these Terms require to be given to the school in writing may be sent by email to the school's published email address, by text message to its published phone number or by WeChat message to a WeChat account the school has nominated for that purpose. The school may give any notice, reminder or warning under these Terms in writing by email, text message or WeChat message sent to the parent's contact details most recently provided to the school. A notice, reminder or warning given in this way is treated as received on the day it is sent, unless the school becomes aware that it was not delivered.

The school may also post general notices about class arrangements (for example, submission times, timetables and Zoom session times) in the class WeChat group. Such a notice is treated as received by each parent on the day it is posted or, for a parent who has told the school that they are not in the group, on the day it is emailed to them. A parent who is not in the group must tell the school, which will then send these notices to them by email.

2. 付款、申请与通知：本条款规定由家长支付的所有费用、收费和其他款项，均由签署家长负责支付。除本条款另有规定外，学费和注册费以外的任何款项，须在学校以书面形式通知金额后 14 天内支付。学费和注册费须按《2027 年费用明细》规定的方式和期限缴付。除本条款、《2027 年费用明细》和《2027 年学费优惠政策》所列的优惠或减免外，家长无权要求任何其他优惠或减免。

退费或课程变更（包括调整年级）的申请，以及按第 10 条办理退学的通知，只能由签署家长、经其书面授权的人士，或依法有权代其处理的人士提出或发出。

本条款要求以书面形式向学校提交的任何内容，可发送电子邮件至学校公布的电子邮箱，发送短信至学校公布的电话号码，或发送微信消息至学校为此指定的微信账号。学校可通过电子邮件、短信或微信，按最近一次提供给学校的家长联系方式，以书面形式发出本条款规定的任何通知、提醒或警告。以此方式发出的通知、提醒或警告，于发出当日视为已送达，但学校得知未能送达的除外。

学校也可在班级微信群发布有关上课安排的一般通知（例如作文递交时间、上课时间表和 Zoom 辅导课时间），该通知于发布当日视为已送达每位家长（已告知学校其不在群内的家长，则于电子邮件发出当日视为已送达）。家长不在群内的，须告知学校，学校将改以电子邮件向其发送此类通知。

3. Relationship with the law. Nothing in these Terms, the *Refund Policy 2027* or any other school policy:

(1) excludes, restricts or modifies any right or remedy a parent has under the Australian Consumer Law that cannot lawfully be excluded, restricted or modified, including rights where the school's services are not provided with due care and skill;

(2) limits any duty the school has under the law, including its duty of care to students; or

(3) makes a parent liable for, or excuses the school from liability for, any loss, damage or cost to the extent that it was caused by the negligence or wilful misconduct of the school or its staff.

Where the law requires the school to make a reasonable adjustment for a student, for a parent who has a disability or for a person authorised under Clause 38 who has a disability, the school will make it even if another clause of these Terms says otherwise.

3. 与法律的关系：本条款、《2027 年退费政策》及学校的其他政策均不：

（1）排除、限制或变更家长依据《澳大利亚消费者法》（Australian Consumer Law）享有且依法不得排除、限制或变更的任何权利或救济，包括学校未以应有的谨慎和技能提供服务时家长享有的权利；

（2）限制学校依法应承担的任何义务，包括学校对学生应尽的照顾责任；

（3）对于任何损失、损坏或费用中因学校或其教职员工的过失或故意不当行为造成的部分，使家长承担责任，或免除学校的责任。

如法律要求学校为学生，或为有残障的家长或按第 38 条获授权且有残障的人士作出合理调整，即使本条款其他条文另有规定，学校仍将作出该合理调整。

B. Enrolment 报名与入学

4. Confirming enrolment. A student's enrolment is confirmed only when:

(1) the parent has truthfully completed and signed the *Enrolment Form 2027* (including these Terms and the *Refund Policy 2027*), and all information given is true, accurate and complete to the best of the parent's knowledge, with nothing intentionally left out; and

(2) the parent has paid all required fees in full in accordance with the *Fees Schedule 2027* and the *Tuition Fee Discount Policy 2027*.

If information given under item (1) is later found to be false, misleading or incomplete, the school may refuse the application, suspend the student's attendance or end the enrolment for that reason, but only under Clause 54.

4. 入学确认：学生的入学须在满足以下全部条件后方可确认：

(1) 家长已如实填写并签署《2027年入学报名表》(包括本条款和《2027年退费政策》)，所提供的全部信息据其
所知真实、准确、完整，没有刻意隐瞒；

(2) 家长已按照《2027年费用明细》和《2027年学费优惠政策》的规定付清全部费用。

如日后发现按第(1)项提供的信息虚假、具误导性或不完整，学校仅可按第54条以此为由拒绝报名申请、暂停学生上课或终止其学籍。

5. Information about the student. So that the school can keep students safe and plan its teaching and any reasonable adjustments, the parent must truthfully disclose in the *Enrolment Form 2027* any of the following that may affect the student's safety or participation in class: a medical condition; an allergy (including any risk of anaphylaxis); a disability; or a learning, behavioural or other additional need, whether or not any of these has been formally diagnosed. The parent must also:

(1) provide details of any medication or action plan the student requires;

(2) provide a copy of any court order relating to the student (for example, a parenting order or an intervention order);

(3) state whether the student receives any individual support at their mainstream school (for example, an aide, a Student Support Group or an individual learning plan); and

(4) promptly tell the school about any change to the parent's contact details (including phone number, email address, WeChat ID and home address), the emergency contacts or any information given under this clause (including the student's health information, additional needs and any new or changed court order).

The school will act in accordance with any court order provided to it.

5. 学生信息：为保障学生安全，并便于学校安排教学和合理调整措施，家长须在《2027年入学报名表》中如实填写可能影响学生安全或参与课堂学习的健康状况、过敏情况（包括是否有严重过敏反应风险）、残障情况，以及学习、行为或其他方面的特殊需要（不论上述情况是否已经正式诊断）。家长还须：

(1) 提供学生所需药物或应急处理方案（action plan）的详情；

(2) 提供与学生有关的任何法院命令（例如育儿令或干预令）的副本；

(3) 说明学生在日校是否获得任何个别支持（例如个别支持人员、学生支持小组或个别学习计划）；

(4) 如家长的联系方式（包括电话号码、电子邮箱、微信号和家庭住址）、紧急联系人，或按本条提供的任何信息（包括学生的健康信息、特殊需要，以及新的或变更后的法院命令）发生变化，及时通知学校。

学校将按已提交给学校的法院命令行事。

6. How the school uses this information. The school will use and disclose the information about the student given under Clause 5 to support the student's safety, wellbeing and learning (including planning reasonable adjustments), to respond to emergencies and as required or authorised by law. It will handle the information in accordance with applicable privacy and health records laws and the school's privacy collection notice. Information about a student's health, disability or additional needs will not by itself be a reason to refuse enrolment.

6. 信息的使用：学校将为保障学生的安全和身心健康、支持学生学习（包括制定合理调整措施），为处理紧急情况，以及在法律要求或允许的情况下，使用和披露按第5条提供的有关学生的信息。学校将按照适用的隐私及健康档案法律和学校的隐私收集声明处理这些信息。学生健康、残障或特殊需要的相关信息，本身不会成为学校拒绝其报名的理由。

7. No free trial classes. The school does not provide free trial classes under any circumstances.

7. 不提供免费试课：学校在任何情况下均不提供免费试课。

C. Fees, refunds, absences and course changes 费用、退费、缺课与课程变更

8. No refunds for a change of mind or personal circumstances. The signing parent has read and understands the *Refund Policy 2027* and must comply with it. Places in each class are limited, and the school plans its classes, teachers and learning materials for the whole period paid for. For this reason, once fees have been paid, no refund is given for a change of mind or personal circumstances, whether before or after classes start, except in the special circumstances set out in the *Refund Policy 2027* or as provided in Clause 10 or Clause 13. For example, except where Clause 3 applies, no refund is given where:

(a) the student leaves their current place of residence for any reason or for any length of time, including to travel outside Australia;

(b) the family moves home, however near or far, and whether or not the student continues to live with the same person (for example, moving from a grandparent's home to a parent's home);

(c) the student falls behind in their studies or refuses to do homework, or family circumstances affect the student's learning (for example, the parent is unable to supervise the student's study or works late); or

(d) the student finds the course too easy or too difficult, including where the parent has chosen a higher course than the one the school recommended (Clause 14).

8. 因改变主意或个人原因不予退费：签署家长已阅读并理解《2027 年退费政策》，并须遵守该政策。由于各班名额有限，且学校按已缴费的整个期间安排班级、教师和学习资料，费用一经缴付，不论在开课前还是开课后，均不能因改变主意或个人原因获得退费，但《2027 年退费政策》规定的特殊情况，以及本条款第 10 条或第 13 条另有规定的除外。例如，除第 3 条适用的情形外，以下情形均不予退费：

(a) 学生因任何原因离开当前居住地（不论时间长短），包括前往澳大利亚以外的国家或地区；

(b) 家庭搬家，无论新旧住址之间的距离远近，也无论学生是否仍与原来同住的人共同居住（例如由祖父母或外祖父母家搬至父母家）；

(c) 学生学习进度落后或拒绝完成作业，或家庭情况影响学生学习（例如家长无法督促学生学习，或家长工作到很晚）；

(d) 学生认为课程太容易或太难，包括家长选择让学生报读比学校建议级别更高的课程（第 14 条）。

9. How a refund is calculated. This clause applies to any refund given for a reason relating to the student or family under the *Refund Policy 2027* (including a refund requested before the term starts), and to a refund when the school ends an enrolment on a ground in Clause 54. It does not apply to a refund under Clause 10(1), Clause 10(3) or Clause 10(4), and only item (5) applies to a refund under the alternative pro rata rule in Clause 10(2). The refund is calculated as follows:

(1) only the unused portion of the tuition fee is refunded. All discounts of any kind previously received for the student no longer apply, so the tuition for the class days already used is recalculated at the full (undiscounted) rate;

(2) class days in the period for which the student is enrolled, up to and including the day the school receives the written request (or, where the school ends the enrolment, the day the enrolment ends), are treated as used, except a class day for which the school provided neither the scheduled class nor a replacement class (such as an online class under Clause 20);

(3) the refund is the tuition fee paid for the student, less the recalculated tuition for the class days used and the refund processing fee set out in the *Refund Policy 2027*. If the result is zero or less, no refund is payable, and no further amount is payable as a result of this calculation;

(4) the registration fee listed in the *Fees Schedule 2027* is not refunded, as it covers the staff time and other administrative costs of processing the enrolment;

(5) any other amount owing under these Terms (for example, fees or charges under Clause 13 or Clause 37, or costs under Clause 33, Clause 34 or Clause 46) remains payable and may be deducted from the refund. However, a disputed amount will not be deducted; and

(6) where half-year tuition has been paid, items (1) to (3) apply separately to each half-year for which a refund is given, and discounts are withdrawn and class days are counted only within that half-year.

9. 退费的计算方法：因学生或家庭方面的原因，按《2027 年退费政策》办理的退费（包括开学前申请的退费），以及学校基于第 54 条所列理由终止学籍时的退费，均按本条计算。本条不适用于第 10 条第（1）项、第（3）项

或第（4）项所述的退费；依照第 10 条第（2）项按比例退费的规定办理的退费，仅适用本条第（5）项。计算方法如下：

（1）仅退还未使用部分的学费。该学生已享受的所有优惠（不论何种优惠）均不再适用，即已使用的上课日的学费按原价（未打折的价格）重新计算；

（2）在学生报名就读期间内，学校收到书面申请当日（如由学校终止学籍，则为学籍终止当日）或之前的上课日，均视为已使用；但学校就某一上课日既未提供原定课程也未提供替代课程（例如按第 20 条提供的网上课程）的，该上课日不视为已使用；

（3）退费金额为该学生已缴纳的学费，减去已使用上课日按原价重新计算的学费，以及《2027 年退费政策》规定的退款手续费；如计算结果为零或负数，则不予退费，且家长无须因上述计算而另行补缴任何款项；

（4）《2027 年费用明细》所列的注册费不予退还，因为注册费用于支付学校处理报名所需的人力及其他行政成本；

（5）本条款下其他应付款项（例如按第 13 条或第 37 条应付的费用，或按第 33 条、第 34 条或第 46 条应承担的费用）仍须支付，学校可从应退款项中扣除；但争议款项不从应退款项中扣除；

（6）如学费按半年缴付，第（1）项至第（3）项按每个获退费的半年分别适用，取消优惠及计算上课日均仅限于该半年之内。

10. Refunds in other situations.

(1) **Application refused.** If the school refuses or declines an application for enrolment for any reason (including for a reason in the opening words of Clause 54) before the student starts classes at the school in 2027, all fees paid are refunded in full.

(2) **Enrolment ended by the school.** If the school ends an enrolment on a ground in Clause 54, the school will refund the unused portion of the tuition fee, calculated under Clause 9 and the *Refund Policy 2027* (including the deduction of the refund processing fee). A different rule applies if the enrolment is ended on ground (3) in Clause 54 and the parent disclosed at enrolment all relevant needs of the student of which they were then aware, and promptly told the school of any further relevant needs once they became aware of them (Clause 5). In that case, the school will instead refund the unused portion of the tuition fee on a pro rata basis from the day the enrolment ends; discounts continue to apply, no refund processing fee is charged and the registration fee is not refunded. Clause 9(5) applies to any other amount owing.

(3) **Course or class cancelled.** The school may cancel a course or class, before or after it starts, if it reasonably considers that the course or class cannot viably or safely start or continue (for example, because of insufficient enrolments or because a teacher or suitable premises are not available). Cancelling includes ceasing to provide the course or class. If the school cancels, or is otherwise unable to continue providing, the student's course or class and does not offer a suitable alternative class (a class at the same year level held face to face on the school premises, or another class that the parent accepts), the school will refund the unused portion of the tuition fee on a pro rata basis; discounts continue to apply and no refund processing fee is charged. If this happens before the student starts classes at the school in 2027, all fees paid, including the registration fee, are refunded. A course or class that continues online under Clause 20 is not treated as cancelled or as one that the school is unable to continue providing; item (4) applies instead.

(4) **No face-to-face classes for an extended period.** If, for more than 5 consecutive class days, face-to-face classes for the student's class are not held, the student may be withdrawn by written notice at any time after this has happened, or after the school has announced that it will happen, and before face-to-face classes resume. The school will then refund the unused portion of the tuition fee from the date of the notice, calculated as under item (3). This item does not apply where face-to-face classes are not held because of a direction or order made by a government or public authority under legislation (for example, a public health order) and the school continues to provide the classes online. If the venue owner closes its premises, or stops the school from using them, because such a direction or order requires it, this is treated as caused by that direction or order; any other decision of the venue owner (for example, to carry out works or to end or change the school's hire arrangement) is not.

(5) **Suspension.** Tuition fees are not refunded or credited for any period during which the student's attendance is suspended under Clause 54. However, if a suspension is later revoked because it was not justified, or is found not to have been justified, the school will refund or credit the tuition fee for the class days the student missed because of it. If a suspension continues for more than 5 consecutive class days, the student may be withdrawn by written notice, and the school will refund the unused portion of the tuition fee from the date of the notice, calculated as under item (2), as if the enrolment had been ended on the ground on which the student was suspended. If the student has been withdrawn under this item and the suspension is later revoked because it was not justified, or is found not to have been justified, the refund is instead recalculated as under item (3), from the first class day the student missed because of the suspension.

10. 其他情况下的退费:

(1) **报名申请被拒绝:** 学校在学生于 2027 年在本校开始上课前, 因任何原因(包括第 54 条开头所述的原因)拒绝或不接受其报名申请的, 退还已缴纳的全部费用。

(2) **学校终止学籍:** 学校基于第 54 条所列理由终止学籍的, 将按第 9 条和《2027 年退费政策》计算并退还未使用部分的学费(包括扣除退款手续费)。但如因第 54 条第(3)项理由终止学籍, 且家长报名时已如实申报其当时所知悉的学生全部相关需要, 并在得知其他相关需要后已及时通知学校(第 5 条), 则适用不同的规定: 学校将改为自学籍终止当日起, 按比例退还未使用部分的学费, 已享受的优惠继续有效, 不收取退款手续费, 但注册费不予退还。其他应付款项适用第 9 条第(5)项的规定。

(3) **取消课程或班级:** 学校如合理认为开设或继续开设某课程或班级不可行或不安全(例如报名人数不足, 或无法安排教师或合适场地), 可在该课程或班级开始之前或之后将其取消。取消课程或班级, 包括停止开设该课程或班级。学校取消学生所报的课程或班级, 或因其他原因无法继续开设该课程或班级, 且未提供合适的替代班级(在校园内面授的同一一年级班级, 或家长接受的其他班级)的, 学校将按比例退还未使用部分的学费, 已享受的优惠继续有效, 且不收取退款手续费。如上述情况发生在学生于 2027 年在本校开始上课前, 学校将退还已缴纳的全部费用(包括注册费)。学校按第 20 条继续以网上授课方式提供的课程或班级, 不视为已取消, 也不视为学校无法继续开设, 而适用第(4)项的规定。

(4) **长期无法面授:** 如学生所在班级连续超过 5 个上课日未进行面授, 则自该情况已经出现或学校宣布将会出现之时起, 至恢复面授前, 可随时以书面形式通知学校, 为学生办理退学。学校将自通知之日起, 按第(3)项的方法计算并退还未使用部分的学费。如因政府或公共机构依法作出的指令或命令(例如公共卫生令)而无法进行面授, 而学校继续提供网上授课, 则不适用本项。场地方因该指令或命令的要求而关闭场地或停止学校使用场地的, 视为由该指令或命令造成; 场地方作出的其他决定(例如进行施工, 或终止或变更学校的场地租用安排)则不视为由该指令或命令造成。

(5) **暂停上课:** 按第 54 条暂停学生上课的, 暂停期间的学费不予退还, 也不予抵扣。但如暂停上课其后因缺乏依据而被撤销, 或被认定缺乏依据, 学校将退还或抵扣学生因此缺课的上课日的学费。如暂停上课连续超过 5 个上课日, 可以书面形式通知学校, 为学生办理退学; 学校将自通知之日起, 按第(2)项的方法计算并退还未使用部分的学费, 计算时视同学籍因暂停上课所依据的同一项理由而终止。如学生已按本项退学, 而暂停上课其后因缺乏依据而被撤销, 或被认定缺乏依据, 则退费改为按第(3)项的方法, 自学生因暂停上课而缺课的第一个上课日起重新计算。

11. Absences. Except as provided in Clause 10(5) and Clause 12, if a student is absent for any reason (including illness), the tuition fee for the missed class day is not refunded or carried forward as a credit. Unless a credit is chosen under Clause 12, the student may collect the learning materials for that class day at school (if available), and any writing assignment set on that class day is marked in accordance with Clause 22.

11. 缺课: 除第 10 条第(5)项及第 12 条另有规定外, 学生因任何原因缺课(包括病假)的, 所缺上课日的学费不予退还, 也不转为预付款。除按第 12 条选择转为预付款外, 学生可在校领取该上课日的学习资料(如有), 该上课日布置的作文按第 22 条的规定批改。

12. Credit for an absence. Once in each half-year (Terms 1 and 2, or Terms 3 and 4), the parent may choose to have the tuition fee for one class day that the student missed kept as a credit. For a student enrolled in both English and mathematics, a credit is available only if the student misses both subjects on that class day. The credit is the tuition fee actually paid (after any discounts) divided by the number of class days covered by that payment. It may be used only towards the student's tuition fees for 2028 and is not refundable. No credit may be chosen for a class day missed because of a suspension; Clause 10(5) applies instead.

The parent makes this choice by telling the school in writing before the next class day after the absence (or, for an absence on the last class day of 2027, within 7 days after that day). A credit cannot be chosen if any of the learning materials for that class day (other than answers released under Clause 18) have already been received by the student or collected for them, or if a writing assignment set on that class day has already been submitted. If a credit is chosen, the student does not receive those learning materials, and any writing assignment set on that class day is not marked. Not choosing a credit for one absence does not use up the credit for that half-year.

For the mock exam classes (Clause 23), the following also apply:

(1) home mock exam papers are part of the learning materials for the class day on which they are reviewed; and

(2) no credit may be chosen for an absence on the day of an in-class mock exam or on its review day. However, if the student is absent on both days and none of the papers have been received by the student or collected for them, the parent may choose one credit (for one class day) for the two absences together. The time limit above runs from the second absence, and this credit is the student's one credit for the half-year in which the first absence falls.

12. 缺课预付款：每半年（第一、二学期为上半年，第三、四学期为下半年），家长可选择一次，将学生所缺某一上课日的学费转为预付款。同时报读英语和数学的学生，须当天两科均缺课，方可选择转为预付款。预付款金额为扣除优惠后实际缴付的学费，除以该笔学费所涵盖的上课日数。预付款仅可用于抵扣该学生 2028 年的学费，不予退还。因暂停上课而缺课的上课日，不得选择转为预付款，而适用第 10 条第（5）项的规定。

家长须在缺课后的下一个上课日之前（如为 2027 年最后一个上课日缺课，则须在该日后 7 天内），以书面形式通知学校作此选择。如学生本人已收到或他人已代其领取该上课日的任何学习资料（按第 18 条公布的答案除外），或已递交该上课日布置的作文，则不得选择转为预付款。家长选择转为预付款的，学生不能领取上述学习资料，该上课日布置的作文也不予批改。家长未就某次缺课选择转为预付款的，不占用该半年的次数。

模考班（第 23 条）的缺课，还须按以下规定处理：

（1）在家模考的模考卷属于讲解该模考的上课日的学习资料；

（2）校内模考的考试日或讲解日缺课，均不得选择转为预付款。但学生两天都缺课，且学生本人未收到、他人也未代其领取任何一份模考卷的，家长可就这两次缺课合并选择一次转为预付款（按一个上课日计算）；上述选择期限自第二次缺课起算，该预付款计入第一次缺课所在半年的次数。

13. Changing year level. A request may be made for the student to move up or down a year level, subject to a place being available in the new class. A student enrolled in both English and mathematics is always at the same year level in both, so a change of year level applies to both subjects and counts as one change. Each student may change year level no more than twice in a school year. No administration fee applies to the first change; a \$50 administration fee applies to the second. A change made at the school's initiative, or as a reasonable adjustment, does not count towards this limit, and no administration fee applies to it. The school does not provide any learning materials issued to the new class before the student joins it. If the tuition fees for the old and new year levels differ, the difference is calculated pro rata for the class days remaining in the period paid for: the parent must pay any increase, and the school will refund any decrease (without a refund processing fee).

13. 调整年级：可为学生申请转入高一级或低一级的班级，但所转入的班级须有空位。同时报读英语和数学的学生，两科须在同一年级；调整年级时两科一并调整，计为一次。每个学生每学年最多可调整年级两次，第一次不收取手续费，第二次须缴纳 50 澳元手续费。学校主动作出的调整，或作为合理调整措施而作出的调整，不计入上述次数，也不收取手续费。所转入班级在学生转入前已发放的学习资料，学校不提供。如新旧年级的学费不同，差额根据已缴费期间剩余的上课日按比例计算：新年级学费较高的，家长须补缴差额；较低的，学校退还差额（不收取退款手续费）。

D. Classes and learning materials 课程与学习资料

14. Course level. The school's English and mathematics courses are extension courses. Year 1 courses start about 6 months to 1 year ahead of the mainstream school curriculum, and from the Year 2 courses onwards they move progressively further ahead, to about 2 years ahead. Homework includes simpler questions as well as questions at the level of high-achieving students, and the end-of-term exams are set at that level. The school will recommend a suitable course, but the parent may choose a higher course instead, in which case the parent accepts responsibility for that choice, including the possibility that the student will find the course difficult.

14. 课程级别：学校的英语和数学课程均为提高课程。一年级课程初期比日校进度超前约半年至一年；从二年级课程起，超前幅度逐步加大，直至比日校超前约两年。回家作业既有较简单的题目，也有按成绩优秀学生水平设置的题目；每学期的期末考试按成绩优秀学生的水平命题。学校会建议合适的课程，但家长可选择让学生报读更高级别的课程；家长作出此选择的，须自行负责，包括学生可能觉得课程较难的情况。

15. Enrolled courses only. The school teaches, and provides learning materials for, only the course(s) in which the student is enrolled and for which fees have been paid. For any other course, the school does not provide learning materials (including lists of topics) and is not obliged to teach or tutor the student in the content of that course. For example, the school does not provide learning materials for the first half of the year to a student enrolled only for the second half, mathematics learning materials to a student enrolled only in English, or Year 1 learning materials to a student enrolled only in a Year 2 course.

15. 仅限所报课程：学校仅负责学生已报名并缴费课程的教学，并仅提供这些课程的学习资料。对于其他课程，学校不提供学习资料（包括知识点目录），也没有义务为学生教授或辅导相关内容。例如，仅报读下半年课程的学生，学校不提供上半年课程的学习资料；仅报读英语的学生，学校不提供数学的学习资料；仅报读二年级课程的学生，学校不提供一年级课程的学习资料。

16. Questions. Teachers answer a student's questions only during class time or recess on class days and during the Zoom live tutoring sessions under Clause 24, as time permits, and only about the learning materials for the student's enrolled course. They do not answer questions about mainstream school work or materials from other schools or organisations, and do not answer questions by text message, WeChat, phone or email outside these times. This does not limit communication with the school about health, safety, complaints or support arrangements.

16. 答疑：老师仅在上课日的上课或课间休息时，以及按第 24 条提供的 Zoom 直播辅导课上为学生答疑，并视时间许可而定，答疑范围仅限学生所报课程的学习资料。老师不解答日校作业或其他学校、机构资料的相关问题，也不在上述时间以外通过短信、微信、电话或电子邮件答疑。本条不限制就健康、安全、投诉或支持安排与学校进行的沟通。

17. Printed learning materials. Except for answers released under Clause 18, marked writing returned under Clause 22 and recordings of Zoom sessions under Clause 24, the school provides learning materials in printed form only and is not obliged to provide electronic copies of any materials or pages, including when a student is absent. Printed learning materials are handed out at school only; the school does not post or deliver them. However, when classes are moved online under Clause 20 or Clause 43, the school will provide the learning materials needed for those classes electronically or arrange for them to be collected.

17. 纸质学习资料：除按第 18 条公布的答案、按第 22 条发回的已批改作文及按第 24 条提供的 Zoom 录像外，学校仅提供纸质版学习资料，没有义务提供任何资料或其中部分页面的电子版，学生请假或缺席时亦然。纸质学习资料仅在校内发放，学校不提供邮寄或配送服务。但如按第 20 条或第 43 条改为网上授课，学校将以电子方式提供所需的学习资料，或安排领取。

18. Answers to weekly booklets. Answers to each English and mathematics weekly booklet are normally released on the day after the class day on which the booklet is handed out, in the way the school notifies.

18. 每周讲义答案：英语和数学每周讲义的答案，一般在发放该讲义的上课日的第二天，按学校通知的方式公布。

19. Copyright. Learning materials are protected by copyright. Students and parents must not copy them, or share or distribute copies of them, in any form (including by photographing, scanning or posting them online) without the written permission of the school or, for published textbooks and other materials in which copyright is owned by others, of the copyright owner, except as permitted by law. Students and parents may, however, save or print for the student's own study any learning materials that the school provides electronically under Clause 17, Clause 18 or Clause 22, or as a reasonable adjustment, where the school owns the copyright or the copying is otherwise permitted by law.

19. 版权：学习资料受版权保护。未经学校书面许可（如属已出版的课本或其他由他人享有版权的资料，则须经版权所有人书面许可），学生和家不得以何形式（包括拍照、扫描或上传网络）复制这些资料，或分享、传播其复制件，但法律允许的情形除外。不过，对于学校按第 17 条、第 18 条、第 22 条或作为合理调整措施以电子方式提供的学习资料，如由学校享有版权，或该复制属法律允许的其他情形，学生和家可以保存或打印，供学生自己学习使用。

20. Online classes. The school may temporarily move classes online if face-to-face classes cannot go ahead as planned, for example, because of teacher illness or personal leave, use of the school premises by government authorities (for example, as a polling place for an election or referendum), extreme weather or an emergency. The school is not obliged to provide recordings of online classes. If, for more than 5 consecutive class days, face-to-face classes are not held, Clause 10(4) applies.

20. 网上授课：如因教师病假或事假、校园被政府部门借用（例如用作选举或全民公投的投票站）、极端天气或紧急情况等原因，无法按计划进行面授，学校可临时改为网上授课。学校没有义务提供网课录像。如连续超过 5 个上课日未进行面授，适用第 10 条第（4）项的规定。

21. Seating. Seats in class are taken on a first-come, first-served basis, and the teacher may change seating for teaching, behaviour or safety reasons. Parents must not reserve seats or require a particular seat for a student. Short-sightedness or other vision problems that glasses or contact lenses can correct are not, by themselves, a reason for a particular seat, and students who need glasses should wear them in class.

If the student has a health or disability-related need (for example, the student uses a hearing aid or has a vision impairment that glasses or contact lenses cannot correct), the parent may ask for a seating arrangement. The

school may ask for supporting information from a health professional (for example, an optometrist or doctor) and, after consulting the parent, will decide what arrangement is reasonable. The arrangement need not be the seat requested (for example, the centre of the front row) and, unless a particular seat is needed as a reasonable adjustment, does not give any student a permanent or exclusive right to a seat.

21. 座位: 课堂座位按先到先得的原则安排, 老师可因教学、纪律或安全需要调整座位。家长不得为学生预留座位或要求指定座位。近视等可通过佩戴眼镜或隐形眼镜矫正的视力问题, 本身不构成要求指定座位的理由; 需要佩戴眼镜的学生, 上课时应佩戴眼镜。

学生因健康或残障原因确有需要的 (例如佩戴助听器, 或有无法通过佩戴眼镜或隐形眼镜矫正的视力障碍), 家长可申请座位安排。学校可要求家长提供医疗专业人士 (例如验光师或医生) 的相关证明, 并在与家长协商后, 决定合理的座位安排。该安排不一定是家长要求的座位 (例如第一排正中); 除非作为合理调整措施确需某一特定座位, 该安排不赋予任何学生固定占用或独占某一座位的权利。

E. Writing, mock exams and other services 作文、模考及其他服务

22. Writing assignments.

(1) For Year 2 courses and above, and for the mock exam classes, writing assignments (including the writing in home mock exams) must be typed directly into the school's online writing submission platform; scanned, photographed or handwritten work is not accepted. Marked work is returned to the parent by email.

(2) The school sets the times for submitting writing assignments, including the last day to submit them each term, and notifies parents of them at the start of each term, and of any change before it takes effect. Writing submitted by the notified time is normally marked by the second Sunday after the class day on which it was set (that is, 8 days later); writing submitted after that time is marked in the next round of marking. Writing submitted after the last day for the term in which it was set is not accepted, even if the student was absent. For this clause and Clauses 11 and 12, the writing in a home mock exam is treated as set on the class day on which that mock exam is reviewed.

(3) In special circumstances, marking may be delayed, in which case the school will complete it as soon as practicable.

(4) For Year 1 courses, the teacher decides how and when writing assignments are submitted, marked and returned, and the marking time in item (2) does not apply.

(5) The writing in end-of-term exams and in-class mock exams is handwritten, and is not covered by this clause or by Clause 11.

22. 作文:

(1) 二年级及以上课程和模考班的作文 (包括在家模考中的作文), 须直接在学校的网上作文递交平台上输入并递交, 不接受扫描版、拍照版或手写版。批改后的作文通过电子邮件发送给家长。

(2) 作文的递交时间 (包括每学期的最后递交日) 由学校确定, 并在每学期开学时通知家长; 如有变更, 在变更生效前通知。在通知的时间或之前递交的作文, 一般在布置该作文的上课日之后的第二个星期日 (即 8 天后) 或之前批改完毕; 逾时递交的, 在下一轮集中批改中批改; 在布置该作文的学年的最后递交日之后递交的, 不予接受, 学生缺课的亦同。就本条及第 11 条、第 12 条而言, 在家模考中的作文视为在讲解该模考的上课日布置。

(3) 如遇特殊情况, 批改可能推迟, 学校将尽快完成。

(4) 一年级课程的作文如何及何时递交、批改和发回, 由老师决定, 不适用第 (2) 项关于批改时间的规定。

(5) 期末考试和校内模考中的作文为手写, 不适用本条规定, 也不属于第 11 条所述的作文。

23. Mock exam classes. The Scholarship Test mock exam classes and the Selective Entry High School mock exam classes hold two kinds of mock exam:

(1) home mock exams: the papers are handed out in class on the class day before they are reviewed (normally one week before), the student completes them at home, and the teacher reviews them in class; and

(2) in-class mock exams: the student sits the mock exam in class, and the teacher reviews it in class on the following class day.

Each mock exam is made up of several papers, one for each subject tested.

23. 模考班: 小升初模考班和精英高中模考班的模考分为两种:

(1) 在家模考: 模考卷在讲解日的前一个上课日 (一般为一周前) 的课上发放, 学生在家完成, 老师在课上讲解;

(2) 校内模考：学生在课上参加模考，老师在下一个上课日的课上讲解。

每次模考包括多个科目，每个科目各有一份模考卷。

24. Zoom live tutoring. The school provides live tutoring sessions on Zoom free of charge for students in Year 2 courses and above, and in the mock exam classes. Sessions are recorded, and a recording may include the name, voice and image of any student who takes part and anything they type in the chat. A recording of each session is normally available for 7 days after the session, to students in the same course only. If a recording fails, the school will not provide a replacement recording or session. Students and parents must not record, photograph or share any part of a session or recording.

The school notifies parents of the regular weekly day and time of the sessions. It may change the date or time of a session, or cancel a session that cannot reasonably be rescheduled, because of a teacher's illness, personal leave or work commitments, and will give parents reasonable notice before permanently changing the regular day or time.

24. Zoom 直播辅导：学校为二年级及以上课程以及模考班的学生免费提供 Zoom 直播辅导课。辅导课会录制，录像可能包含参加学生的姓名、声音、影像及其在聊天栏输入的内容。每次辅导课的录像一般可在辅导课结束后的 7 天内回看，且仅限同一课程的学生。如录制失败，学校不会补录或另行补课。学生和家长不得录制、拍摄或分享辅导课或录像的任何部分。

辅导课每周固定的日子和时间由学校通知家长。如老师生病、请事假或有工作安排，学校可调整某次辅导课的日期或时间；如无法合理改期，也可取消该次辅导课。学校永久调整固定的日子或时间前，将给予家长合理的提前通知。

25. Scholarship application and interview coaching. The school provides free one-on-one coaching on scholarship applications (including the résumé) and interviews only to a student who, when the coaching starts:

(1) is enrolled at the school in both English and mathematics;

(2) has completed at least one full school year (all 4 terms of a calendar year) of continuous enrolment in both subjects; and

(3) has at least 8 consecutive terms (2 years) of continuous enrolment in both subjects, counting the terms already completed, the current term and any later terms for which tuition fees for both subjects have already been paid.

Any term before a break in the student's enrolment in either subject does not count. The school decides the format, number and timing of coaching sessions.

25. 奖学金申请及面试辅导：学校仅为在辅导开始时符合以下全部条件的学生，提供免费的一对一奖学金申请（包括简历）及面试辅导：

(1) 在学校同时就读英语和数学两科；

(2) 已连续同时就读两科至少满一个完整学年（即一个公历年度的全部四个学期）；

(3) 连续同时报读两科至少 8 个学期（两年），计算时包括已完成的学期、当前学期，以及已缴付两科学费的后续学期。

任一科就读中断的，中断之前的学期不计算在内。辅导的形式、次数和时间由学校决定。

F. Support and class requirements 支持与上课要求

26. Class format. Classes are held on Saturdays, with one teacher for each class. The school does not receive the kind of funding that mainstream schools receive to employ specialist support staff for students with additional needs. Students therefore need to be able to take part in a group class with ordinary classroom support, together with any reasonable adjustments the school makes under Clause 27.

26. 上课形式：学校于星期六上课，每班由一位老师授课。日校可获得用于聘请专业人员为有特殊需要的学生提供支持的经费，但学校没有获得此类经费。因此，学生须能够在一般课堂支持以及学校按第 27 条作出的合理调整下参与集体课堂学习。

27. Reasonable adjustments. The school will consult the parent and make reasonable adjustments, as required by law, to support a student with disability, a medical condition or other additional needs. Ongoing one-on-one

supervision or care for an individual student is not part of the school's usual classroom staffing, but the school will consider any request for individual support case by case. If information about a student's needs was not given at enrolment, the parent must meet with the school promptly when asked and work with the school on a support plan. If, after a reasonable period of support, the student is still unable to take part in class safely with ordinary classroom support and reasonable adjustments in place, or the adjustments the student needs would not be reasonable, having regard to all relevant circumstances (including the school's resources), the school may, after consulting the parent, end the enrolment under Clause 54.

27. 合理调整: 对于有残障、健康状况或其他特殊需要的学生, 学校将与家长协商, 并依法采取合理调整措施予以支持。为个别学生安排持续的一对一看护或照顾, 不属于学校通常的课堂人员配置, 但学校会对个别支持的申请进行个案评估。如报名时未提供学生特殊需要的相关信息, 家长须在学校要求时尽快与学校面谈, 并配合学校制定支持方案。如学生经过一段合理的支持期后, 即使已有一般课堂支持及合理调整措施, 仍无法安全地参与课堂学习, 或在综合考虑所有相关情况(包括学校资源)后, 学生所需的调整措施并不合理, 学校可在与家长协商后, 按第 54 条终止该学生的学籍。

28. Class requirements and settling in. Students must follow classroom and recess rules and must be able to take part in class with ordinary classroom support and reasonable adjustments. Taking part in class includes (but is not limited to) staying in the classroom for the lesson (except to use the toilet or with the teacher's permission), returning to class on time after recess, listening quietly when the teacher is speaking, following the teacher's instructions, attempting class activities as directed by the teacher, taking part in group activities, not walking around the classroom without permission, not using electronic devices without the teacher's permission (other than a device the student needs because of a disability or medical condition) and not disrupting the teacher or other students.

If, after a reasonable settling-in period (normally no longer than 2 weeks), a student is still unable to meet these requirements or the toileting requirement in Clause 29, the school will discuss the matter with the parent and, subject to Clause 27, may end the enrolment under Clause 54.

28. 上课要求与适应期: 学生须遵守上课和课间纪律, 并能在一般课堂支持及合理调整措施下参与课堂学习。参与课堂学习包括但不限于: 上课期间留在教室内(上厕所或经老师允许的除外)、课间休息后按时回到教室、老师讲课时安静听讲、听从老师的指示、按老师的要求尝试完成课堂活动、参与集体活动、未经允许不在教室内随意走动、未经老师允许不使用电子设备(学生因残障或健康状况需要使用的设备除外), 以及不影响老师上课和其他同学学习。

如学生入学后经过合理的适应期(一般不超过 2 周), 仍无法达到上述要求或第 29 条的如厕要求, 学校将与家长沟通, 并可在不影响第 27 条的前提下, 按第 54 条终止该学生的学籍。

29. Toileting. A teacher may walk a student to the toilets, but for child safety reasons staff will not enter toilet cubicles or have any physical contact with a student while the student is using the toilet, except in an emergency. Unless an individual arrangement has been made under this clause, students must therefore be able to use the toilet independently, including cleaning themselves afterwards.

If a student needs an individual arrangement because of a medical condition, disability, incontinence, limited mobility or other additional needs, the parent should contact the school in advance to request one. The school will assess the request case by case, taking into account the student's circumstances, any supporting evidence and its legal and child safety obligations, and will make reasonable adjustments where required. Students are encouraged to use the toilet during recess where possible, but this does not prevent a student from using the toilet during class when needed.

29. 如厕: 老师可陪同学生前往卫生间, 但为保障儿童安全, 除紧急情况外, 教职员工不会进入厕所隔间, 也不会在学生如厕时与其有任何身体接触。因此, 除学校已按本条作出个别安排外, 学生须能独立完成如厕, 包括便后清洁。

如学生因健康状况、残障、失禁、行动不便或其他特殊需要, 需要学校作出个别安排, 家长应提前与学校联系, 提出申请。学校将根据学生的具体情况、相关证明以及学校在法律及儿童安全方面的义务进行个案评估, 并依法作出合理调整。学校鼓励学生尽量在课间休息时上厕所, 但这并不妨碍学生在上课期间有需要时上厕所。

30. NDIS. The school is not a registered National Disability Insurance Scheme (NDIS) provider and does not offer its classes as NDIS supports. Whether fees paid to the school can be claimed or reimbursed under an NDIS plan is for the parent to confirm with the National Disability Insurance Agency (NDIA) or their plan manager; the school gives no advice or assurance about this. The school issues only its usual invoices and receipts. It will not enter

into NDIS service agreements, use NDIS support item numbers or prepare NDIS reports and, unless the law requires otherwise, will not take on any other obligation that applies only to NDIS providers. This does not affect the school's obligations under other laws, including its obligation to make reasonable adjustments.

30. 国家残障保险计划（NDIS）：学校不是国家残障保险计划（NDIS）注册服务提供者（Registered NDIS Provider），也不以 NDIS 支持服务的形式提供课程。学校所收取的费用能否通过 NDIS 计划申领或报销，由家长自行向国家残障保险局（NDIA）或计划管理人（plan manager）咨询确认，学校不就此提供任何意见或保证。学校只开具一般的发票和收据，不签订 NDIS 服务协议，不使用 NDIS 支持项目编号，不撰写 NDIS 报告；除法律另有规定外，也不承担任何仅适用于 NDIS 服务提供者的义务。但这不影响学校依据其他法律应承担的义务，包括作出合理调整的义务。

G. Behaviour and safety 行为与安全

31. Safe behaviour. Students must behave safely at school at all times and help keep the school environment quiet and respectful. They must not take part in any game or activity that is dangerous or may cause damage to the school premises, including (but not limited to) playing with sticks, playing ball games, running, climbing trees or rocks, digging in the soil and entering garden beds. This does not prevent students from taking part in a class activity run by a teacher. During class time and recess, students must not leave the school premises for any reason without the school's permission.

If a student repeatedly behaves dangerously or unsafely and does not correct this behaviour after being warned, the school may, subject to Clause 27, end the enrolment under Clause 54. In serious cases, subject to Clauses 54 and 55, the school may suspend the student's attendance immediately and may end the enrolment without a prior warning.

31. 安全行为：学生在校须时刻注意安全，并协助保持安静、相互尊重的学校环境。学生不得在校内进行任何危险或可能对校园造成损坏的游戏或活动（包括但不限于玩树枝、玩球、奔跑、爬树、攀爬假山或石头、挖泥土和进入花坛），但这不影响学生参加老师组织的课堂活动。上课及课间休息期间，未经学校许可，学生不得以任何理由擅自离开校园。

如学生屡次做出危险或不安全的行为，经警告后仍不改正，学校可在不影响第 27 条的前提下，按第 54 条终止该学生的学籍；情节严重的，在符合第 54 条和第 55 条规定的前提下，学校可立即暂停学生上课，并可不经警告终止其学籍。

32. Drinks and nuts. No drink other than plain water (bottled water, tap water or cooled boiled water) may be brought into classrooms, unless the student's action plan or written advice from a health professional requires otherwise (for example, a sugary drink to treat low blood sugar). The school is nut-aware: to reduce the risk of allergic reactions, students, parents and accompanying children must not bring any food containing nuts or peanuts onto the school premises. Because the premises are shared with other users, the school cannot guarantee that they are free of nuts or other allergens.

32. 饮料与坚果：只可携带清水（瓶装水、自来水或凉白开）进入教室，不得携带其他饮料；但学生的应急处理方案或医疗专业人士的书面意见另有要求的除外（例如用于缓解低血糖的含糖饮料）。学校实行坚果过敏防范措施（nut-aware）：为降低过敏风险，学生、家长及随行儿童均不得携带任何含坚果或花生的食品进入校园。由于场地与其他使用者共用，学校无法保证场地内完全没有坚果或其他过敏原。

33. Balls and toys. For safety reasons, students must not bring balls or toys to school, except items the teacher has asked students to bring for a class activity or items needed as a reasonable adjustment. Staff may take a ball or toy brought in breach of this clause and keep it until the end of class, when it will be returned to the person who collects the student. If school or venue property is damaged (for example, a window is broken) by any student playing with a ball or toy brought in breach of this clause:

(1) the parent of the student who brought it must pay a reasonable proportion of the reasonable cost of repair or replacement, having regard to the extent to which bringing it to school contributed to the damage, whether or not that student took part in the play;

(2) the remaining cost is payable under Clause 46 by the parents of the students who caused the damage, shared according to each student's contribution to the damage through the play (if the student who brought the ball or toy is one of them, their parent also pays that student's share); and

(3) in total, the school will not recover more than the reasonable cost of the repair or replacement.

Nothing is payable under item (1) if the student brought the ball or toy because of their disability or medical condition. Items (1) to (3) do not apply to damage caused while the ball or toy was held by staff; Clause 46 applies instead.

33. 球类与玩具：为保障安全，学生不得携带球类或玩具到校，但老师要求学生为课堂活动携带的物品，或作为合理调整措施所需的物品除外。如学生违反本条携带球类或玩具到校，教职员工可暂时收存，该物品将在下课后交还给接走学生的人士。如任何学生在玩违反本条带到学校的球类或玩具时，造成学校或场地方的财物损坏（例如打碎窗户玻璃）：

（1）带来该物品的学生的家长，不论该学生是否参与玩耍，均须根据将该物品带到学校对损坏发生所起的作用，承担合理维修或更换费用中的合理比例；

（2）其余费用由造成损坏的学生的家长按第 46 条承担，并根据各学生在玩耍中对损坏所起的作用分担（如带来该物品的学生也是其中之一，其家长还须承担该学生应分担的部分）；

（3）学校收回的费用总额不超过合理的维修或更换费用。

如学生是因其残障或健康状况而带来该物品，家长无须按第（1）项承担费用。如损坏发生在该物品由教职员工收存期间，则不适用第（1）项至第（3）项，而适用第 46 条。

34. Children who are not enrolled. If a parent brings a child who is not enrolled in the school's classes (for example, a younger sibling of an enrolled student) onto the school premises, including at drop-off or collection, the school is not responsible for supervising or caring for that child. The parent must supervise the child at all times and ensure that the child does not behave unsafely or damage school or venue property or the school environment. The parent must not allow the child to bring balls onto, or play ball games on, the school premises. If the child damages school or venue property or the school environment, or soils a classroom, floor or carpet, the parent must pay the reasonable cost of the resulting repairs, replacement and cleaning (other than for fair wear and tear).

34. 未在学校就读的孩子：如家长带未在学校就读的孩子（例如在读学生的弟弟妹妹）进入校园（包括接送在读学生时），学校不负责看护或照顾该孩子。家长须全程照看该孩子，并确保该孩子不做出不安全的行为，不损坏学校或场地方的财物或学校环境；家长也不得让该孩子携带球类进入校园或在校园内玩球。如该孩子造成学校或场地方的财物或学校环境损坏，或导致教室、地面或地毯污损，家长须承担由此产生的合理维修、更换和清洁费用（正常损耗除外）。

H. Drop-off, collection and supervision 接送与看护

35. Drop-off and collection. When arriving at school, the parent must accompany the student from the school entrance or car park to the classroom door, must not let the student walk there alone and must not leave the student until the teacher is present. The requirements in the previous sentence do not apply to a student waiting under Clause 41, who must go to the classroom for their afternoon class in time for the start of class. When collecting the student after class, the parent must meet the student at the classroom door and must not let the student walk alone from the classroom door to the school entrance or car park. The parent is responsible for supervising the student between the school entrance or car park and the classroom door, before the student is handed over to the teacher and after the student has been collected; school staff do not supervise this area at those times.

35. 送学生上学与接学生放学：上学时，家长须陪同学生从校门或停车场走到教室门口，不得让学生独自前往，并须在老师到场后方可离开。上述上学时的要求，不适用于按第 41 条午间等候的学生；该学生须在下午上课开始前到达其下午上课的教室。放学时，家长须在教室门口接学生，不得让学生独自从教室门口前往校门或停车场。在学生被交给老师之前及被接走之后，学生在校门或停车场与教室门口之间的区域内由家长负责照看，学校教职员工在上述时间不负责监管该区域。

36. Riding to and from school. The school strongly advises against students riding bicycles, scooters or skateboards to or from school. A student who rides to or from school must still be accompanied to, and collected from, the classroom door under Clause 35. Students must not ride on the school premises. If the parent allows the student to ride, the parent remains responsible for the student's safety while the student is travelling to and from school, because school staff do not supervise students' travel. Bicycles and other equipment brought to school are the owner's responsibility (Clause 47). This clause does not apply to a student's use of a wheelchair, mobility scooter or other mobility aid because of a disability.

36. 骑行上下学：学校强烈不建议学生骑自行车、滑板车或滑板（以下统称“骑行”）上下学。学生骑行上下学的，家长仍须按第 35 条陪同学生至教室门口及在教室门口接学生。学生不得在校园内骑行。家长如允许学生骑行上下

学，学生上下学途中的安全仍由家长负责，因为学校教职员不负责监管学生上下学途中的情况。带到学校的自行车及其他器材由物主自行负责（第 47 条）。本条不适用于学生因残障而使用轮椅、电动代步车或其他行动辅助器具的情况。

37. Late collection. The parent must collect the student promptly at the end of class and must notify the school in advance if they expect to be late. If a student has not been collected within 10 minutes after the end of class, a supervision fee of \$10 is charged for each 10 minutes, or part of 10 minutes, after that time. If two or more students from the same family are waiting to be collected, the fee is charged per family, not per student.

The student remains under staff supervision until collected; the first 10 minutes is a grace period before the fee applies, not a period without supervision. If the school is unable to contact the parent or emergency contacts, it may contact Victoria Police to ensure the student's safety. Repeated late collection after a written warning may be dealt with under ground (6) in Clause 54.

37. 迟接：下课后，家长须准时接走学生；如预计会晚于下课时间接学生，须提前通知学校。如学生在下课后超过 10 分钟仍未被接走，超出部分按每 10 分钟（不足 10 分钟按 10 分钟计）收取看护费 10 澳元。如同一家庭有两名或以上学生同时等候被接走，看护费按家庭计算，不按学生人数分别收取。

学生在被接走前仍由教职员照看；前 10 分钟是开始收费前的宽限期，并非无人照看的时段。如学校无法联系上家长或紧急联系人，学校可联系维州警察，以确保学生安全。经书面警告后仍屡次迟接学生的，学校可依据第 54 条第（6）项理由处理。

38. Who may collect the student. Subject to any court order provided to the school, any parent may collect the student, unless the school has restricted that parent's access under Clause 52 in a way that prevents them from collecting the student. If the parent is unable to bring or collect the student personally, they must notify the school in advance and authorise another person aged 18 or over (for example, a relative or friend) in writing (including by text message, email or WeChat) to do so. An authorisation may name more than one person and may cover a single occasion or the whole school year.

The school may ask anyone who comes to collect the student, including a person who says they are a parent but is not known to the school, to show photo identification. The school will not release the student to a person who is neither a parent nor named in an authorisation, or whose identity it cannot reasonably confirm, except where the law requires otherwise. However, if the school cannot contact a parent, it may release the student to a person aged 18 or over who is named as an emergency contact in the details most recently provided to the school, if it has confirmed that person's identity, unless the school has restricted that person's access in the same way.

The parent must ensure that an authorised person follows Clauses 32, 34, 35, 37, 40, 43, 46 and 51 in the same way as the parent. Clause 46 applies to any damage or soiling caused by the authorised person, or by an emergency contact to whom the student is released under this clause, as if the parent had caused it, and Clause 34 applies to any child who is not enrolled and whom either of them brings onto the school premises, as if the parent had brought that child. However, behaviour of an authorised person that is contrary to Clause 51 is a ground under Clause 54 only as set out in ground (5). If the school has restricted an authorised person's access under Clause 52 in a way that prevents them from collecting the student, the school may decline to release the student to that person while the restriction applies, and the parent must make other arrangements.

38. 接学生的人士：在不违反已提交给学校的法院命令的前提下，任何一位家长均可接学生，但学校已按第 52 条限制其进入校园，致使其不能接学生的除外。家长如不能亲自送或接学生，须提前通知学校，并以书面形式（包括短信、电子邮件或微信）指名授权其他年满 18 周岁的人士（例如亲友）代为接送。授权可指名一位或多位人士，可仅适用于单次，也可适用于整个学年。

学校可要求任何前来接学生的人士（包括自称是家长但学校并不认识的人士）出示带照片的身份证件。对于既非家长也未在授权中被指名的人士，或学校无法合理核实其身份的人士，学校不会让其接走学生，但法律另有要求的除外。如学校无法联系上家长，可让家长最近一次提供给学校的紧急联系人名单中、年满 18 周岁且身份经学校核实的人士接走学生，但学校已以同样方式限制该人士进入校园的除外。

家长须确保获授权人士与家长一样遵守第 32 条、第 34 条、第 35 条、第 37 条、第 40 条、第 43 条、第 46 条和第 51 条的规定。由获授权人士，或由学校按本条让其接走学生的紧急联系人造成的任何损坏或污损，按第 46 条视同由家长造成；上述人士带入校园的未在学校就读的孩子，适用第 34 条，视同由家长带入校园。但获授权人士违反第 51 条的行为，仅在符合第 54 条第（5）项规定的情况下，才构成第 54 条所述的理由。如学校已按第 52 条限制某获授权人士进入校园，致使其不能接学生，则在限制期间，学校可拒绝让该人士接走学生，家长须另行安排。

39. Working with Children Clearance. As part of the school's child safety requirements, any parent or other adult who wishes to remain on the school premises during class time or recess (including to wait for or supervise a student) must hold a current Victorian Working with Children (WWC) Clearance and provide their WWC number to the school so that it can be verified and recorded. This does not apply to a person who is on the premises only briefly to drop off or collect a student, or who attends a meeting arranged with school staff.

39. 儿童相关工作许可：作为学校儿童安全要求的一部分，家长或其他成年人如需在上课期间或课间休息时留在校园内（包括等候或照看学生），须持有有效的维州儿童相关工作许可（Working with Children Clearance，简称 WWC），并向学校提供 WWC 号码，以便学校核实和登记。仅为接送学生而短暂进入校园的人士，或前来参加与教职员工约定的面谈的人士，不受此限。

40. Class times and supervision. Classes start at 1:15 pm and finish at 5 pm, and the school's tuition fees do not cover any period before the start or after the end of class. For a student enrolled in only one subject, the start and end of class in these Terms mean the start and end of that subject's lesson. The school does not provide supervision before the start or after the end of class, except for a student who is waiting to be collected under Clause 37 or Clause 48. The school's responsibility for supervising a student ends when the student is collected under Clause 35 or Clause 38. A student who has been collected is then the responsibility of the person who collected them, including while the student is still on the school premises. Clause 41 applies to students waiting at midday.

40. 上课时间与看护：学校课程于下午 1 点 15 分开始，下午 5 点结束。只报读一科的学生，本条款所述的上课开始及下课，指该科课程的开始及结束。上课开始前及下课后的任何时段均不在学校学费涵盖的时间内。除按第 37 条或第 48 条等待接走的学生外，学校在上课开始前及下课后不提供看护。学生按第 35 条或第 38 条被接走时，学校对该学生的看护责任即告结束。此后即使学生仍在校园内，也由接走学生的人士负责照看。午间等候适用第 41 条。

41. Waiting at midday. This clause sets out when a student who attends the morning Chinese classes of Pintop Language School Incorporated may stay on the school premises, without a parent, from the end of those classes at 12:05 pm until the school's afternoon classes start at 1:15 pm on the same day. This period is not class time and is not covered by the school's tuition fees. School staff are on the school premises during this period, and students may ask them for help, but staff do not provide continuous supervision and cannot watch every student at all times.

A student may wait in this way only if:

(1) the student is in Year 2 or above at their mainstream school;

(2) the signing parent has ticked the Midday Waiting Consent box at the end of these Terms and named the student (or has later given the same consent in writing in a form the school accepts), and no parent has withdrawn that consent in writing; and

(3) the student is due to attend their afternoon class that day, starting at 1:15 pm, and that class is being held face to face on the school premises.

A waiting student must stay in the classroom the school designates for lunch, the classroom for their afternoon class, the lawn outside the lunch classroom or another area the school designates, except when using the student toilets under Clause 44 or going directly to or between these areas. The student must follow the school's and the venue's rules and must not leave the school premises. If a student does not follow these requirements, the school may withdraw permission for the student to wait, by written notice to the parent. Any parent or other adult (other than school staff) who remains in a classroom where students are waiting under this clause must comply with Clause 39 (Working with Children Clearance) as if the period were class time.

Any other student on the school premises during this period must be supervised by a parent or by a person authorised under Clause 38.

41. 午间等候：本条规定上午在拼拓北区中文学校（Pintop Language School Incorporated）上中文课的学生，在何种条件下可于中午 12 点 05 分上午中文课结束后，在没有家长陪同的情况下一直留在校园内，等候学校同日下午 1 点 15 分开始的课程。这段时间不属于上课时间，不在学校学费涵盖的时间内。此期间校园内有学校教职员工，学生需要帮助时可向其求助，但教职员工不提供持续看护，也无法时刻留意每一名学生。

学生须同时符合以下条件，方可按本条等候：

（1）学生在日校就读二年级或以上；

(2) 签署家长已在本条款末尾的“午间等候同意”一栏勾选并填写该学生的姓名（或其后已以学校接受的书面形式作出同样同意），且该同意未被任何一位家长以书面形式撤回；

(3) 学生当天按安排应上其下午 1 点 15 分开始的课程，且该课程在校园内面授。

按本条等候的学生，除按第 44 条使用学生卫生间，或直接前往以下区域或在以下区域之间往返外，须留在学校指定的午餐教室、其下午上课的教室、午餐教室外的草坪或学校指定的其他区域，遵守学校和场地方的规定，不得离开校园。学生不遵守上述要求的，学校可书面通知家长，取消该学生按本条等候的许可。学生按本条等候期间，留在学生等候的教室内的家长或其他成年人（教职员除外），须视同该时段为上课时间，遵守第 39 条关于儿童相关工作许可的规定。

其他在此期间留在校园内的学生，须由家长或按第 38 条获授权的人士照看。

I. Premises and belongings 场地与个人物品

42. Hired premises. The school does not have its own premises. It hires classrooms and facilities from a Victorian government school, which is responsible for maintaining its buildings and facilities. The school cannot alter, renovate or upgrade the venue's buildings or facilities, and therefore cannot accept requests for such changes (for example, a request to renovate the toilets). Concerns about the cleanliness, maintenance or condition of facilities may be raised with the school, which will pass them on to the venue owner and take reasonable steps to keep students safe in the meantime; whether and when any work is carried out is a matter for the venue owner. Provided the facilities are safe and reasonably fit for use, their condition is not grounds for a refund.

42. 租用场地：学校没有自己的校舍，而是向一所维州政府学校租用教室和设施，相关建筑和设施由场地方负责维护。学校无权改动、装修或升级场地方的建筑或设施，因此无法接受此类要求（例如要求装修卫生间）。如对设施的清洁、维护或状况有意见，可向学校反映，学校将转告场地方，并在此期间采取合理措施保障学生安全；是否施工及何时施工，由场地方决定。只要设施安全且合理适用，其状况不构成退费理由。

43. Venue rules and changes. Students and parents must comply with the venue's rules and with the conditions of the school's hire arrangement as notified by the school, and may use only the areas and facilities that the school has hired or designated.

The venue owner may carry out repairs, renovations or other works, or make other changes (for example, closing an entrance during renovations). When this happens, the school may make any adjustments that are reasonably necessary, including changing entrances, routes, classrooms, toilets, drop-off and collection points or other arrangements at short notice, or moving classes online under Clause 20 if the premises cannot be used. The school will notify families through its usual communication channels, and students and parents must follow the school's instructions. Subject to Clause 10(4), temporary changes of this kind are not grounds for a refund. Because compliance with the venue's conditions is necessary for the school to continue hiring the premises, the school may, under Clause 52 or Clause 54, deal with a parent's repeated refusal to follow these arrangements.

43. 场地规定与变动：学生和家​​长须遵守场地方的规定以及学校通知的场地租用条件，只可使用学校已租用或指定的区域和设施。

场地方可能进行维修、装修或其他施工，或作出其他变动（例如装修期间关闭某个校门）。届时，学校可作出合理的调整，包括临时更改出入口、行走路线、教室、卫生间、接送地点或其他安排；如场地无法使用，可按第 20 条改为网上授课。学校将通过常用渠道通知各家庭，学生和家​​长须按照学校的指示配合。在不影响第 10 条第（4）项的前提下，此类临时变更不构成退费理由。由于遵守场地方的条件是学校能够继续租用场地的前提，如家​​长屡次拒绝配合上述安排，学校可按第 52 条或第 54 条处理。

44. Toilets. Except under an individual arrangement made under Clause 29 or a temporary arrangement made under Clause 43 or this clause, the school does not provide any toilet facilities of its own, and the toilets available to students are the venue's student toilets designated for the school under its hire arrangement (the same toilets the venue's own students use on their school days). While those toilets are open and usable, students must use them and must not use staff toilets or any other toilets that are not designated for students, unless an individual arrangement has been made under Clause 29. Concerns about the cleanliness or condition of the student toilets are not a reason to use other toilets, and should be raised with the school as described in Clause 42. If the designated student toilets are temporarily unavailable, the school will make temporary arrangements that are consistent with child safety, student privacy and supervision requirements.

44. 卫生间：除学校已按第 29 条作出个别安排，或已按第 43 条或本条作出临时安排外，学校不提供自己的卫生间设施，学生可使用的卫生间为场地租用安排中指定给学校使用的场地方学生卫生间（即场地方学校自己的学生在

上学日使用的同一批卫生间)。上述卫生间正常开放并可以使用时,学生须使用上述卫生间,不得使用教职员工卫生间或其他未指定供学生使用的卫生间,但学校已按第 29 条作出个别安排的除外。对学生卫生间清洁或设施状况的意见,不构成改用其他卫生间的理由,应按第 42 条所述方式向学校反映。如指定的学生卫生间临时无法使用,学校将作出符合儿童安全、学生隐私及看护要求的临时安排。

45. Facilities. The school provides only the facilities available to it under its hire arrangement, and does not provide a parents' room (a baby change or feeding room).

45. 设施: 学校仅提供其根据场地租用安排可使用的设施,不提供母婴室(换尿布或哺乳的房间)。

46. Care of property, damage and soiling. Whenever they are on the school premises, students and parents must take care of school and venue property, put rubbish in the bins provided and leave classrooms, desks and floors clean. If the student or a parent damages school or venue property intentionally, carelessly or in breach of these Terms, or soils a classroom, floor or carpet (whether or not intentionally), the parent must pay the reasonable cost of the resulting repairs, replacement and cleaning (other than for fair wear and tear). Where Clause 33 applies, the cost of repairs or replacement is shared as set out in that clause.

46. 爱护财物、损坏与污损: 学生和家長在校园内,須爱护学校及场地方的财物,将垃圾投入指定垃圾桶,并保持教室、桌面及地面整洁。如学生或家長故意、因疏忽或违反本条款造成学校或场地方的财物损坏,或(不论是否故意)导致教室、地面或地毯污损,家長須承担由此产生的合理维修、更换和清洁费用(正常损耗除外)。适用第 33 条的,维修或更换费用按该条分担。

47. Belongings. The school does not recommend that students or parents bring valuable items to school. Owners are responsible for their own belongings, and the school is not liable for any loss (including theft) of, or damage to, belongings unless it is caused by the negligence or wilful misconduct of the school or its staff.

47. 个人物品: 学校不建议学生或家長携带贵重物品到校。个人物品由物主自行负责,如有任何遗失、被盗或损坏,学校不承担赔偿责任,但因学校或其教职员工的过失或故意不当行为造成的除外。

J. Health and emergencies 健康与紧急情况

48. Illness, injury and collection. Subject to any action plan for the student and to Clause 27, if a student becomes unwell or is injured at school, or another situation arises that requires the student to be collected (for example, an emergency affecting the school premises), the school will contact the parent, who must come to collect the student as soon as possible or arrange for a person authorised under Clause 38 to do so. The school may require a student to be collected because of the student's behaviour only in accordance with Clauses 27, 31, 54 and 55; if it does so, the parent must likewise come to collect the student as soon as possible or arrange for a person authorised under Clause 38 to do so. A staff member will supervise the student until the student is collected.

Subject to Clause 27, where it is reasonably necessary to protect the health or safety of the student or others, the school may also require a student who is unwell, or who has an infectious illness, not to attend class until the student has recovered or is no longer infectious (and, where the school reasonably requires, until a health professional confirms that the student may return). Requiring a student to be collected or not to attend under this clause for a reason other than the student's behaviour, or declining to accept a student into class under Clause 50, is not a suspension. Clause 11 applies to any class the student misses because of their own illness, injury or health needs.

48. 生病、受伤与接走学生: 在不影响学生应急处理方案及第 27 条的前提下,如学生在校期间生病或受伤,或出现其他需要接走学生的情况(例如影响校园的紧急情况),学校将联系家長,家長須尽快来校接走学生,或安排按第 38 条获授权的人士接走学生。学校因学生的行为要求接走学生的,只可按第 27 条、第 31 条、第 54 条和第 55 条的规定进行;在此情况下,家長同样須尽快来校接走学生,或安排按第 38 条获授权的人士接走学生。学生在被接走前由教职員工照看。

在不影响第 27 条的前提下,如学生生病或患有传染病,且为保障该学生或他人的健康或安全而确有合理必要,学校也可要求学生在康复或不再具有传染性之前(如学校合理要求,则在医疗专业人士确认学生可返校之前)不上课。学校按本条因学生行为以外的原因要求接走学生或要求学生不来上课,或按第 50 条不接收学生上课,均不属于暂停上课。学生因自身生病、受伤或健康需要而缺课的,适用第 11 条的规定。

49. Medical emergencies. In a medical emergency, the school may give first aid and, where it considers it necessary, call emergency services on 000 for an ambulance. The school will notify the parent or an emergency contact as soon as practicable. All costs incurred, including ambulance and medical costs, are the parent's responsibility.

49. 紧急医疗情况：如发生紧急医疗情况，学校可实施急救，并在其认为必要时拨打紧急电话 000 呼叫救护车。学校将尽快通知家长或紧急联系人。由此产生的所有费用（包括救护车费用和医疗费用）均由家长承担。

50. Emergency medication. If the student has been prescribed emergency medication, or the student's action plan provides for emergency medication (for example, an adrenaline autoinjector or an asthma reliever), the parent must ensure that the student brings it to every class, within its expiry date and clearly labelled, together with the current action plan (unless the school already holds a copy of it). If the student arrives without that medication, or without the current action plan where the school does not already hold a copy, the school may, subject to Clause 27, decline to accept the student into class until the missing medication or action plan is provided. Clause 11 applies to any class missed. If the person who brought the student has already left, the school will contact the parent under Clause 48, and a staff member will supervise the student until the medication or action plan is provided or the student is collected.

By signing the *Enrolment Form 2027*, the signing parent authorises school staff to administer that medication in accordance with the action plan. The school does not otherwise administer medication, unless doing so is a reasonable adjustment, in which case the school will agree on the arrangements with the parent in writing. This does not limit first aid under Clause 49.

50. 急救药物：如学生有医生处方的急救药物，或学生的应急处理方案中列明须使用急救药物（例如肾上腺素自动注射笔或哮喘缓解药），家长须确保学生每次上课均携带在有效期内并贴有清晰标签的药物及最新的应急处理方案（学校已存有其最新副本的除外）。如学生到校时未携带该药物，或在学校未存有其最新应急处理方案副本的情况下未携带该方案，学校可在不影响第 27 条的前提下，在该药物或方案送到之前不接收该学生上课。所缺课程适用第 11 条的规定。如送学生到校的人士已经离开，学校将按第 48 条联系家长；在该药物或方案送到或学生被接走前，学生由教职员照看。

签署家长一经签署《2027 年入学报名表》，即授权学校教职员按该方案为学生使用该药物。除此之外，学校不为学生用药，但为学生用药属于合理调整措施的除外；在此情况下，学校将与家长书面约定具体安排。这不影响学校按第 49 条实施急救。

K. Respectful behaviour 尊重行为

51. Respectful behaviour. The signing parent must work together with the school to promote mutual respect and positive relationships between students, parents and school staff. The school has adopted the principles of the Victorian Department of Education's *Respectful Behaviours within the School Community Policy* (<https://www.vic.gov.au/respectful-behaviours-school-community>), and the signing parent has read and understands these principles and must follow them. As the policy states, 'Schools are positive places of learning where everyone has a right to a safe and healthy learning environment. Schools are also workplaces, and school staff deserve to work in an environment where they don't feel threatened or unsafe.' The signing parent must not engage in unacceptable or unreasonable behaviours, which include (but are not limited to):

(1) being violent or threatening violence of any kind, including being physically intimidating, making aggressive hand gestures or invading another person's personal space;

(2) speaking or behaving in a rude, aggressive or threatening way, whether in person, by email, on social media or over the telephone;

(3) sending demanding, rude, confronting or threatening letters, emails or text messages;

(4) making discriminatory or derogatory comments; and

(5) using social media or public forums to make inappropriate or threatening remarks about the school, students, staff or parents.

51. 尊重行为：签署家长须与学校共同致力于维护学生、家长与教职员之间相互尊重、积极健康的关系。学校已采纳维州教育部《学校社区内的尊重行为准则》（*Respectful Behaviours within the School Community Policy*, <https://www.vic.gov.au/respectful-behaviours-school-community>）的原则；签署家长已阅读并理解这些原则，并须遵守。正如该准则所述：“学校是积极向上的学习场所，每个人都有权在安全、健康的环境中学习。学校同时也是工作场所，教职员理应在不感到受威胁或不安全的环境中工作。”签署家长不得做出不可接受或不合理的行为，这些行为包括但不限于：

- (1) 任何形式的暴力或暴力威胁，包括肢体恐吓、攻击性手势或侵犯他人个人空间；
- (2) 以无礼、具攻击性或威胁性的方式说话或行事，无论是当面、通过电子邮件、社交媒体还是电话；
- (3) 发送提出强硬要求或内容无礼、具对抗性或威胁性的信件、电子邮件或短信；
- (4) 发表歧视性或贬低性言论；
- (5) 通过社交媒体或公开平台发表关于学校、学生、教职员工或家长的不当或威胁性言论。

52. Raising concerns and the school's response. Clause 51 does not prevent anyone from making a complaint under Clause 56, asserting their own or another person's legal rights (including a student's rights), or publishing an honest opinion or review. This applies only if it is done without threats, abuse or harassment, and without publicly disclosing private personal information about staff (for example, a home address, private phone number or private email address) or any personal information about a student other than a student of whom the person making the disclosure is a parent. The limit on disclosing personal information does not apply to disclosure to the school, the police, a regulator, a court, a tribunal, another external complaint-handling body or a legal adviser, or to disclosure required or permitted by law.

If any member of the school community behaves in an unacceptable way, the school may contact the person to discuss the matter and may take action, such as issuing a written warning, requiring all communication to be in writing or restricting the person's access to the school premises. In serious or repeated cases, the school may end the enrolment of the student concerned under Clause 54. If a person's access to the premises is restricted in a way that prevents them from bringing or collecting the student, the parent must arrange for the student to be brought and collected by a parent or authorised person whose access is not restricted in that way; if this is not possible, the school will offer the family reasonable alternative arrangements so that the student can continue to attend. Where necessary, the school may report the matter to Victoria Police or other relevant authorities.

52. 提出意见与学校的处理：第 51 条不妨碍任何人按第 56 条提出投诉，维护自己或他人（包括学生）的合法权利，或发表诚实的意见或评价。但前提是不以威胁、辱骂或骚扰的方式进行，也不公开披露教职员工的私人个人信息（例如家庭住址、私人电话号码或私人电子邮箱），或任何学生（披露者本人为其家长的学生除外）的个人信息。上述关于不得公开披露个人信息的限制，不适用于向学校、警方、监管机构、法院、仲裁机构、其他外部投诉处理机构或法律顾问作出的披露，也不适用于依法要求或允许的披露。

如学校社区内任何人出现不可接受的行为，学校可与其联系，进一步沟通相关情况，并可采取相应措施，例如发出书面警告、要求只以书面方式沟通或限制其进入校园。情节严重或屡次发生的，学校可按第 54 条终止相关学生的学籍。如学校限制某人进入校园，致使其不能送学生到校或接学生，家长须安排未受此类限制的家长或获授权人士接送学生；如确实无法安排，学校将为该家庭提供其他合理安排，以便学生继续上课。必要时，学校可将相关情况报告维州警察或其他有关部门。

53. Previous conduct. To maintain a respectful, positive and healthy school community, the school may use its discretion in deciding whether to accept an application for enrolment from a parent who has previously seriously or repeatedly breached the *Respectful Behaviours within the School Community Policy* or other school rules or policies and has not taken genuine steps to address that behaviour.

53. 以往行为：如家长曾严重或屡次违反《学校社区内的尊重行为准则》或学校其他规章制度和政策，且未采取切实措施改正其不当行为，为维护学校社区相互尊重、积极健康的氛围，学校可酌情决定是否接受该家长提交的报名申请。

L. Refusal, suspension and ending an enrolment 拒绝报名、暂停上课与终止学籍

54. Grounds for refusal, suspension or ending an enrolment. The school may decline an application for enrolment where, even with any reasonable adjustments required by law, no place is available in a suitable class or the student does not meet the school's published requirements for that class (such as age or year level). It may also cancel a course or class under Clause 10(3). Otherwise, the school may refuse an application for enrolment, suspend a student's attendance or end an enrolment only on one or more of the following grounds:

- (1) fees, charges or costs payable to the school (including tuition fees and any amount payable under these Terms), or any amount owing from a previous enrolment, not being paid as required, other than a disputed amount;
- (2) materially false or misleading information being provided, or required information or documents not being provided after a reasonable request (Clauses 4 and 5). However, where the information or documents concern the student's health, disability or additional needs, this is a ground under this item only if the parent does not, promptly after a written warning, provide complete and accurate information or documents to the best of their knowledge;

(3) the student being unable, after a reasonable period of support and even with ordinary classroom support and reasonable adjustments in place, to follow classroom and recess rules, take part in class as described in Clause 28, take part in class safely or meet the toileting requirement in Clause 29, or needing adjustments that would not be reasonable, having regard to all relevant circumstances, including the school's resources (Clauses 26 to 29);

(4) serious unsafe behaviour or serious misconduct by the student, or repeated unsafe behaviour or misconduct by the student that continues after a warning (Clause 31);

(5) serious or repeated unacceptable behaviour towards students, staff or other members of the school community by a parent, or by a person authorised under Clause 38 whom the parent continues to authorise after the school has warned the parent in writing about that person's behaviour, or, for an application for enrolment, a matter described in Clause 53 (Clauses 51 to 53); or

(6) any of the following that puts the safety or wellbeing of students or staff at risk or seriously disrupts classes: a serious breach of these Terms by a parent, repeated breaches by a parent after a written warning, other serious conduct of the student or a parent, or serious circumstances of the student. However, a breach relating to the student's health, disability or additional needs is a ground under this item only if it is not remedied promptly after a written warning, or recurs after that warning.

Not paying a disputed amount is not a ground under any other item. Where ground (4) or ground (6) arises from the student's conduct or circumstances relating to the student's disability, medical condition or other additional needs, the school will act subject to Clause 27. In such a case, where urgent action is needed for safety reasons, the school may suspend the student's attendance immediately, but will apply Clause 27 before deciding whether to end the enrolment.

54. 拒绝报名、暂停上课或终止学籍的理由：即使作出法律要求的合理调整，如仍没有合适班级的空位，或学生仍不符合学校公布的该班级要求（例如年龄或年级），学校可不接受报名申请。学校也可按第 10 条第（3）项取消课程或班级。除上述情况外，学校仅可基于以下一项或多项理由拒绝报名申请、暂停学生上课或终止其学籍：

（1）未按规定支付应付给学校的费用、收费或其他款项（包括学费及根据本条款应付的任何款项）或以往学籍所欠的任何款项，但争议款项除外；

（2）提供在重大方面虚假或具误导性的信息，或经学校合理要求后仍未提供所需信息或资料（第 4 条和第 5 条）。但所涉信息或资料与学生健康、残障或特殊需要有关的，须家长在书面警告后仍未及时提供据其所知完整、准确的信息或资料，方构成本项理由；

（3）学生在经过合理的支持期后，即使已有一般课堂支持及合理调整措施，仍无法遵守上课和课间纪律、按第 28 条的要求参与课堂学习、安全地参与课堂学习或达到第 29 条的如厕要求，或学生所需的调整措施在综合考虑所有相关情况（包括学校资源）后并不合理（第 26 条至第 29 条）；

（4）学生做出严重的不安全行为或严重违纪行为，或屡次做出不安全行为或违纪行为且经警告后仍不改正（第 31 条）；

（5）家长，或按第 38 条获授权且在学校就其行为书面警告家长后家长仍继续授权的人士，对学生、教职员或学校社区其他成员做出严重或屡次的不可接受行为，或在报名申请方面存在第 53 条所述的情况（第 51 条至第 53 条）；

（6）家长严重违反本条款，或经书面警告后仍屡次违反本条款，或学生或家长的其他严重行为，或学生的其他严重情况，危及学生或教职员的安全或身心健康或严重扰乱课堂秩序。但与学生健康、残障或特殊需要有关的违反行为，须在书面警告后仍未及时改正，或在该警告后再次发生，方构成本项理由。

未支付争议款项，不构成其他任何一项理由。如第（4）项或第（6）项所述理由源于学生与其残障、健康状况或其他特殊需要有关的行为或情况，学校将在不影响第 27 条的前提下处理。在此情况下，如因安全原因需要立即处理，学校可立即暂停学生上课，但在决定是否终止其学籍前，仍将按第 27 条处理。

55. Fair process. The school will not make any decision under Clause 54 on the basis of unlawful discrimination. Before making a decision under Clause 54, the school will raise its concerns with the parent and give them a reasonable opportunity to respond. Where urgent action is needed for safety reasons, the school may suspend the student's attendance immediately, but will give the parent that opportunity before deciding whether to end the enrolment. During any suspension, the school will tell the parent the conditions for the student's return and will review regularly whether the suspension needs to continue. Refunds are dealt with in Clause 10. A parent may make a complaint under Clause 56 about this process or about any decision under Clause 54.

55. 公平程序：学校不会基于违法的歧视理由作出第 54 条所述的决定。学校在作出第 54 条所述的决定前，将先与家长沟通相关问题，并给予其合理的回应机会。如因安全原因需要立即处理，学校可立即暂停学生上课，但在决

定是否终止其学籍前，仍将给予家长上述回应机会。暂停期间，学校将告知家长恢复上课的条件，并定期评估是否需要继续暂停。相关退费安排见第 10 条。家长对上述程序或按第 54 条作出的决定有异议的，可按第 56 条投诉。

M. General terms 一般条款

56. Complaints. A parent may raise any concern or complaint with the school in accordance with the school's complaints procedure, and the school will handle it fairly and promptly. Any concern about child safety will be handled in accordance with the school's Child Safe Policy.

56. 投诉：家长如有任何意见或投诉，可按照学校的投诉处理程序向学校提出，学校将公正、及时地处理。涉及儿童安全的问题，将按照学校的《儿童安全政策》（Child Safe Policy）处理。

57. Language, other policies and governing law. These Terms are written in English and Chinese. If there is any inconsistency between the English and Chinese versions, the English version prevails. If these Terms are inconsistent with another school policy, these Terms prevail, unless, in relation to fees, charges or refunds, the policy is more favourable to the parent. However, these Terms do not prevail over the school's Child Safe Policy, to the extent it deals with the safety of children, or over any other policy to the extent that the law requires that policy to apply. These Terms are governed by the laws of Victoria, Australia.

57. 语言、其他政策与适用法律：本条款以英文和中文写成，如中英文版本有任何不一致，以英文版本为准。如本条款与学校其他政策不一致，以本条款为准，但在费用、收费或退费方面，该政策对家长更为有利的除外。不过，本条款不优先于学校的《儿童安全政策》（以其涉及儿童安全的内容为限），也不优先于依法必须适用的其他政策（以法律要求其适用的范围为限）。本条款适用澳大利亚维多利亚州法律。

Name(s) of Student(s) who will wait at midday (午间等候的学生姓名): _____

I have read Clause 41. I consent to each student named in this box waiting on the school premises without a parent from 12:05 pm to 1:15 pm under that clause. I understand that, although school staff are on the school premises during this period, they do not provide continuous supervision and cannot watch every student at all times, and that each student must stay in the areas set out in Clause 41 and must not leave the school premises. I have considered each named student's age, maturity and health needs (including any action plan) and am satisfied that they can wait safely in this way. I will make sure that I can be contacted by phone during this period. I agree that the school may tell Pintop Language School Incorporated which students this consent covers and whether each of them may wait under Clause 41 on a particular day. I understand that I, or any other parent of a named student, may withdraw this consent for that student at any time by telling the school in writing. My signature below also applies to this consent.
